

## F.V. Cemetery Co. Inc. UPDATE

We are grateful to continue to serve the families represented at Cedar Lawn Memorial Park and the Fair View Cemetery. Our company is governed by a Board of Directors. Three new board members replaced the prior four board members effective July 1, 2023. William Hopkins, Jr. is the President. Four of our current employees were here before this transition. Roanoke City did not take over the cemeteries.

Cedar Lawn began in 1930, therefore is 95 years old this year.

Fair View began in 1890, therefore is 135 years old this year.

Our company is non-profit, so we rely on Foundation giving for projects at both cemeteries.

At Cedar Lawn, in the next few weeks, you will see repair begin on one of the monuments.

Fair View Veterans Plaza has been enhanced, pole banners have been replaced, and missing or deteriorated street signs will soon be placed.

Since there are always projects to repair, replace, augment, etc. we need contributions to the Cedar Lawn and Fair View Foundations.

See below a listing of Contributors who have given since our last Newsletter in 2022. This list is also on the home page of this website under 'Newsletters'.
