Press Release  
October 20, 2022

On Saturday, October 29, 2022 at 10:00 AM, rain or shine, the Scouts from Troop #352 will gather at Fair View Cemetery as they have for more than 10 years to place flags on each veteran's graves.

Troop #352 continues to gather at this historic cemetery to recognize the men and women who have given their lives so we can live freely. Each year starts with a ceremony of raising the America flag and salute to show respect for those who have gone to battle for us. There are graves dating back all the way to the Spanish-American War up to present time and the community is encouraged to join the event. Fair View will provide flags at no cost.

Located at 3300 Melrose Avenue, Roanoke, VA, Fair View Cemetery, established in 1890, is a historic landmark of the area. The final resting place to thousands of veterans, ten mayors, members of the Virginia State Legislature, United States Federal Judiciary, United States Congress and many notable families who built Roanoke, Fair View is a community treasure and a source of genealogical information for citizens of the area and beyond.
